STATEMENT OF: [REDACTED] DOB: [REDACTED], [REDACTED]  
[REDACTED] (cell)

Before we begin the formal question and answer statement, I am going to show you a document known as a Sworn Affidavit. Illinois Law (50 ILCS 725/3.8) requires that anyone filing a complaint against a sworn peace officer must have complaint supported by a sworn affidavit. According to Illinois Law (735 ILCS 5/1-109), any person who files a false complaint may be subject to criminal charges or a civil suit.

HERMANN: Have I explained why a Sworn Affidavit is required and the legal consequences under Illinois State Law?

[REDACTED]: Yes

HERMANN: Do you have any questions regarding the Sworn Affidavit?

[REDACTED]: No

It is alleged that on 17 Sep 2011 at [REDACTED] Accused failed to conduct a thorough investigation or provide the Complainant with a police report.

Questioned and typed by Sgt Janine HERMANN #1923, Unit 121 on 02 Dec 2011 @ 1053 hrs.

HERMANN: What is your home address?

[REDACTED] [REDACTED]

HERMANN: Are you the listed owner of the residence at [REDACTED]?

[REDACTED]: Yes

HERMANN: On 17 Sep 11, what time did you leave your residence?

[REDACTED]: I left my home around 9:30 approximately. On Sep 16, 2011, my daughter [REDACTED] made arrangements with the police to meet her at my residence in order to get her belongings. She had property there. So at 9:30 [REDACTED] still didn't show up so that's when I left to go to breakfast with my friend [REDACTED]. After breakfast we went to the dollar store and I told [REDACTED] to call my daughter to tell "do not enter my home against my will or she will be prosecuted." I was standing right next to [REDACTED] when she called my daughter so I heard the entire conversation. This call was made from [REDACTED] cell phone. I think [REDACTED] told her "Call your Mother, [REDACTED]." Also, while we were en route to go to breakfast, my daughter called [REDACTED] and told her to "tell my Mother that I can't get in the house." [REDACTED] told her to call me.

HERMANN: What happened after you returned home?

██████████: I arrived home at 1:55 pm. I went in the front entrance. I made one good step into my door and began to shout "Oh no they didn't." My house sounded hollow, it sounded empty. When I walked in I noticed that my house had been emptied out. I noticed that the couch was even gone. I stepped back out of my house and went over to my neighbor ██████████ house to ask her if she had seen anything. I was so nervous that I fell as I walked to ██████████ house. ██████████ was outside and I asked her if she had seen anything. She told me that "something wasn't right" but she saw my car parked out front so she figured that I was at home. She told me that there was a moving truck that backed up on the lawn right to my front door. They broke a tree branch right there. The truck then went around to the alley and blocked the alley. The alley is a dead end alley. She did tell me that they did not take anything out of my front door. ██████████ said that she saw 2 Chicago Police SUVs parked right in the middle of the street in front of my house. She said that they stayed 10 minutes and then they left. They didn't get out of the vehicles. ██████████ said that my nephew, ██████████ came over and spoke to her son during the time that this was going on.

I called the police to report that my home had been burglarized. I also spoke to ██████████. Arnette told me that 13 to 15 people were out on my front lawn like they were giving something away. ██████████ said that she recognized some of the people which included: ██████████, ██████████, my senior citizen Aunt ██████████ sat out in front in a van. ██████████ did not recognize at least three of the ladies. Arnette saw things being taken out of my house like my mattress.

HERMANN: Did the police respond to your residence after you called?  
██████████: Yes, I believe they did. I spoke to them. They also spoke to ██████████ and ██████████. They would not give me a report. I have no documentation. I also called for a Sergeant. I believe the Sergeant came out but I don't recall what I spoke to him about. I made several calls for the police that day. I also called the 008<sup>th</sup> district. I wanted to know why those 2 SUVs were dispatched to my home. I know that there is GPS. I want to know why they were at my house. I think that it may have been those two crooked cops that are my sister's friends from Englewood. A female from the 008<sup>th</sup> district told me that they didn't have any record of any cars being dispatched to my house. When I called the 008<sup>th</sup> district I told them that I wanted to know the name of the caller who requested those officers but they had no record of these officers.

HERMANN: Why did you wait until November 10, 2012 to contact IPRA?  
[REDACTED]: I will have to check the dates but I believe that I was hospitalized during this time. I'm not sure if it was a police sergeant or if it was IPRA that told me not to tamper with the evidence because an evidence technician was going to come out to my house. I am still waiting on the evidence technician. They still haven't come out. Why didn't anyone from the police department come out. Is it like certain people that they come out for and certain people they don't? Some of my collectable dishes are broke. They have been around since the 1920s. I haven't even swept the floor. I don't have my notes with me. If I find them I will fax them to you.

HERMANN: Can you provide me with contact information for the witnesses that you have named?
